

Journal of Shi'a Islamic Studies

The Journal of Shi'a Islamic Studies (JSIS) is a refereed academic journal published quarterly by the Islamic College in London. The journal provides an international forum for scholars through the publication of research articles in all fields of Shi'a studies, from the historical to the contemporary and from the theological to the philosophical.

JSIS encourages contributions from individuals of different perspectives and backgrounds. Articles are welcome on all Islamic studies topics but should seek to engage with some aspect of Shi'a thought, history, or experience.
